Only vray 3.6 for 3ds max 2016 was tested here.. xSpeednet Setup 2.0 was tested here..The present invention relates to a method of mounting an assembly with a liftable cover such as a can opener, as disclosed in U.S. Pat. No. 5,344,097, in which a cover mountable to a container body is lifted and an assembly such as a can opener is mounted to the cover. A conventional method of mounting an assembly with a liftable cover such as a can opener to a container body will be described. First, a method of simply adhering a can opener to a cover of a container will be described. First, a rim of the cover
