A: There is no Freehand MX 11.0.2 Cracked Free Download Apk, I use this, but in your case Freehand MX 11.0.2 Cracked Download is the right one, here you have the link. Berserker Mayhem 2 Berserker Mayhem 2 is a side-scrolling hack and slash video game developed by Black Forest Games and published by NIS America for the PlayStation Portable. Gameplay Berserker Mayhem 2 is similar to the original Berserk Wars, in which players must kill waves of enemies in order to open up paths to enter the palace. In this sequel, players must kill opposing warriors to "morph" into larger and more powerful forms. Once a player morphs into an appropriate form, the player must kill a boss. Plot A young female warrior in a black metal chainmail and black feathered helmet accidentally slays her country's emperor. Disgraced and branded a traitor by her country, she must go on a quest to regain her honor through battling and killing opposing warriors to gain new equipment and armor. Along the way, she learns about her country's mythological history and eventually learns about her country's destiny. Reception The game received "mixed" reviews according to the review aggregation website Metacritic. In Japan, Famitsu gave it a score of one eight, two sevens, and one eight for a total of 31 out of 40.
