[I think it's important that you post to the User Forum to receive answers directly from Vectorworks or BlackBeard] Jun 20, 2010 In 2005 I had a pirated Vectorworks 2008. I was able to open my files when I installed Vectorworks 2008 and opened them in that version, then I stopped and the files were unusable. I checked the binary codes and saw if Vectorworks was supposed to be free, it was not, the . To support the legal rights of Vectorworks, we do NOT provide a way for you to legally play back files that were made with an illegal copy of Vectorworks. A: You can open the DWG with a reader (apparently a separate app). Another option is to install evectorworks (free) which is more powerful than reader. Seoul: Police have arrested a 25-year-old man who allegedly confessed to killing a 5-year-old girl and then eating her heart with his friends on Sunday. The suspect, who identified himself as a member of a Japanese idol group, allegedly saw the girl playing near a basketball court in Han River, Seoul. When the girl attempted to lure him away from his friends, he murdered the girl, investigators said. The suspect then dug a hole and buried the dead body, according to police. The suspect was reportedly arrested Sunday night. Police are now searching for two of his friends who helped him bury the body. After the murder, he and his two friends, all in their early 20s, allegedly ate the girl's heart, stomach and internal organs, says police. The suspect's two friends have been arrested and the hearts, guts, and internal organs of the girl are being analyzed, according to police.[Tumors of the choroid plexus of the lateral ventricles of the brain--diagnostic problems].
