---

pictures and read the software description and user reviews carefully before downloading. The latest released version of Spelling for Grade 2 - List 18 is Spelling for Grade 2 - List 18 - Update 1. Please note the software developer's website and use the links given below to visit the official website of Spelling for Grade 2 - List 18. You can download Spelling for Grade 2 - List 18 - Update 1 directly from the developer's website. Although Spelling for Grade 2 - List 18 is in as2, it has some bad points. It is running slowly on my machine, and it crashed my machine and I lost all of my work as well as the database when I ran it on a 64-bit operating system. I also had difficulty getting and installing the plugin even though there were work-around suggestions on this review forum.
