This means that you will be able to use the icons with dock programs, as well as on regular files on your computer. Folder Icon - Folder icon is a great looking collection of icons that are designed to provide you with a means of giving a truly unique and original aspect to all your files and folders. The

icons that are included in the FolderIcon collection are available in the ICO and PNG formats. This means that you will be able to use the icons with dock programs, as well as on regular files on your computer. FolderIcon

What's New in the Once Upon A Time In Wonderland - Folder Icon?

Icon design for a blue folder and its contents. A light and clear brush stroke is used to enhance the design. Available in PNG and ICO formats. To place this icon on your Mac, just copy the enclosed SVG file into a new folder, then edit it as desired. You can further customize this icon by editing the enclosed XML file. Usage Instructions: Place the enclosed SVG file (name: folder-icon-blue) in the same folder as the PNG and ICO files that you would like to use it with. Use the Edit icon mask (included) to make modifications to the original icon mask. You can then use these icons with the macOS Finder by dragging them from the Finder window, to the desktop. If you would like to use these icons with iOS (or Android) apps, then you will need to place

the enclosed SVG file into a new folder, and use the Convert to an iOS icon tool (included) to create a new ICO file. You will need to place the included mask into a new Photoshop file, and edit it as desired. You can then use this file to create a new icon mask. You can then use these icons with the iOS Finder by dragging them from the Finder window, to the desktop. If you would like to use these icons with Android (or Windows) apps, then you will need to place the enclosed SVG file into a new Photoshop file, and use the Convert to an Android icon tool (included) to create a new PNG file. Tips and Tricks: The enclosed SVG file is designed to be the basis for a new icon mask. You can then modify it as you wish, to create a truly unique icon. Credits: The design of the icons for Once upon a Time in Wonderland Folder Icons were created by: Armin Kleinschmidt Version 1.2 Version 1.2 Published: 16/11/2015 Last Updated: 16/11/2015 Copyright: 15 Status: Complete Author: Justin M. I. Martin Description: Folder icon is a great looking collection of icons that are designed to provide you with a means of giving a truly unique and original aspect to

all your files and folders. The icons that are included in the Folder icon collection are available in the ICO and PNG formats. This means that you will be able to use the icons with dock programs, as well as on regular files on your computer. Description: Icon design for a blue folder and its contents. A light and clear brush stroke is used to enhance the design. Available in PNG and ICO formats.
