We currently serve close to 1,700 childcare providers, so you are bound to find the right fit at a childcare provider near you. Easy-to-Implement A quick start plan makes it easy to set up your business, and our technology helps you keep up with the latest and greatest in the industry. High-Quality Care We hand-select childcare providers and pay them competitive wages. Our high-quality childcare program creates better outcomes for children. Intuitive Software Our intuitive software is easy-to-use and highly intuitive, so you can spend more time meeting your families and less time on business. Here are some of our other benefits, which may be unavailable or unavailable in your area: Unemployment Protection: If you are laid off or suddenly lose your job, we'll help you find a new position or get you through the doldrums of unemployment. Additional Training: We train our childcare providers for the programs they take on board. Free or Low Cost Business Resources: We provide free or low-cost business resources, including free software, business planning services, financial counseling, marketing services, and more. Job Opportunity: We pay childcare providers to recruit their current families to SimplyWays®. Flexible Hours: We allow childcare providers to have flexibility with their schedules. This invention relates to a container,
