Play is a vital human developmental capacity but it also raises important questions for pediatric psychologists, educators, and researchers: What aspects of play are most salient and central to optimal development? What are the best ways to structure children's play? Here I discuss the importance of developing an explicit understanding of children's play (rather than an implicit understanding), the likely consequences of prematurity, and the benefits of play for achieving and maintaining optimal physical, social, cognitive, and emotional development. I offer two foundational premises for promoting children's play in the early years and the need for further theorizing, research, and research practice in this area.

b9dff7a1369faf9f89d07f8f88f8f8f8f8b65a4e9 This is a complex site-plan that was drawn using Autocad and Lilypad. The site has been partially run down and the erection of smaller light industrial units has affected the original layout of the site. This site is currently zoned for light industrial purposes with the owner wanting to expand into food storage. Upon rezoning the plans will have to be sent to the local planning department for approval. b9dff7a1369faf9f89d07f8f88f8f8b65a4e9 Site Plan for building layout, construction options and furniture requirements. b9dff7a1369faf9f89d07f8f88f8f8b65a4e9 CAD plan of a retail/industrial unit for a complex site. Very large project plan with numerous trees and plants included within the site and overlooking the park beyond. The entire area to be built is under 55,000 square metres in size. b9dff7a1369faf9f89d07f8f88f8f8b65a4e9 Client Architecture Plan. These are for furniture requirements and are printed in full colour for the clients own use at the point of delivery. The site is specifically designed around this type of interior detail. b9dff7a1369faf9f89d07f8f88f8f8b65a4e9 For those who have never used Marmalade before, it's a multi-platform application development framework written in Python. This is a complex server-side project using the framework. The framework is highly recommended and is used in large majority of the web applications across the world. b9dff7a1369faf9f89d07f8f88f8f8b65a4e9 Site Plan for commercial plan for a large sized complex site.
