A Fantasy Action RPG that tells the story of a man who touches the fate of the legendary Elden Ring, which was destined to be reclaimed by the Elden Lord who had discovered it. An action RPG where you can create your own character and develop your style. A fantasy world where the blue-haired beauty of a lonely farmer and a young boy, lost in the Land Between, are joined together by fate and fight off the threat of evil. A multilayered story told in fragments, and the drama unfolds one screen at a time. As you explore the vast fantasy world, you will find some things that cannot be comprehended by your mind. You must find courage to survive in this world, and gradually unveil its grand mystery. FEATURES: ► Thousands of Different Characters and an Endless Variety of Quests The game features a vast world and countless characters. Through quests and various conversations with other characters, your adventure will only continue to grow. The quest system offers a variety of quests to discover, ranging from simple to difficult. Each character has their own specialties, such as a great enchanter with the skill "Mesmerize", or a powerful warrior with "Damaging Strikes". Moreover, as you unravel the mystery of the Venerye's story, you will find characters who have inherited their destinies from the people who lived before the Venerye, and you can become one of them by walking in their shoes. ►Gather and Recruit Relatives, Friends, and Companions As you travel around the world, you can meet new people and join them into your party. You can also recruit them by paying a certain amount of AP (Action Points). You can also recruit familiars called "Pet"s to assist you in battle. There are a wide variety of Pet S with a wide variety of skills and stats. The more you invest in Familiars, the more powerful they will be. ► A Multilayered Story and an Epic Saga A large-scale fantasy story, where the story of the Venerye continues in the various fragments you can find all across the world. The mystery of the game flows throughout a continuous story, which is split into multiple chapters. Discover new things as you continue your journey, and uncover the truth behind the battle, the tale of the Elden

You will notice a lot of differences in the gameplay between the original and the current version. In the original version of the game, you could only move in a horizontal direction, but in the current version, you can even advance while facing your opponent. There are many things that have been improved, so it's worth playing the original version in order to get a sense of the differences. The game is full of a sense of luck due to the current version's visual, which differs from the original, meaning you can approach the game with a different mindset. Also, despite the current version having a lot of adjustments, it is still the "pure" JRPG that you grew up with, so it's a good option to try, especially if you're looking for a new title that doesn't involve PC online play. ▲ The King of the Lands Between. If you are a new character, it's possible to have an increase in stats in the beginning. [From: GameCha] ■ Pros • The game is set in a manner where there are a lot of improvements to the gameplay • It is easy to understand due to the simple gameplay • It is enjoyable due to the emphasis on the visuals, which may appeal to JRPG fans • The music is good • The current version has a lot of adjustments, making it look like a new game ▲ The King of the Lands Between. If you are a new character, it's possible to have an increase in stats in the beginning. [From: GameCha] ■ Cons bff6bb2d33
