What's new in Fantasy Grounds - D & D Sword Coast Adventurer's Guide:

Fantasy Grounds made the Dungeons and Dragons Sword Coast Adventurer's Guide files available last night on the file server hosted at www.beyondlogic.net. The provided files on there are formatted with the D&D 4E compatibility rules (or "purity levels") in place so they can be compatible with the existing 3.5 D&D content that is out there. File versions include: - Sword Coast Adventurer's Guide version 3.5.1 - Sword Coast Adventurer's Guide version 3.5.0 - Sword Coast Adventurer's Guide version 3.5.0+mods - Sword Coast Adventurer's Guide version 3.5.0+DMs - Sword Coast Adventurer's Guide version 3.5.0+Fanpreferred - Sword Coast Adventurer's Guide version 3.5.0+UACPreferred - Sword Coast Adventurer's Guide version 3.5.0+Revisions - Sword Coast Adventurer's Guide version 3.5.0+Scripts Sword Coast Adventurer's Guide version 3.5.0+DM - Sword Coast Adventurer's Guide version 3.5.0+DMs - Sword Coast Adventurer's Guide version 3.5.0+Fanpreferred - Sword Coast Adventurer's Guide version 3.5.0+Scripts Sword Coast Adventurer's Guide version 3.5.0 - Sword Coast Adventurer's Guide version 3.5.0+DMs - Sword Coast Adventurer's Guide version 3.5.0+Fanpreferred

A: The website is down, again. I tried to access it just now and it's back to the generic message: "Site is temporarily down due to technical difficulties. We should be back up and functioning again shortly."

Q: How to fetch data continuously on a page How can I fetch data continuously with onclick for every single button without reloading the page? If my click code for fetching data is this:

will this code work to continuously fetch data on the button?
