Besiege territory in the depths of the ocean, from treacherous coral labyrinths and lost lands to ancient volcanoes and fortresses guarding labyrinths of their own. Forge weapons, armor, magic, tools, and potions to face the dangers ahead. Recruit a team of heroes including Gobul the Minotaur, an elementalist with powerful fire attacks, or use the resources at hand: a motley crew of friends, foes, and strange creatures will help you on your journey, all the while crafting the legend of Edge of Atlantis. Key Features: An Action RPG full of Exploration – Obstacles will block your path at every turn! Explore multiple worlds, and delve into countless labyrinths, pyramids, volcanoes, tropical jungles and more. New content is always expanding. Pulsate between the elements: use water, fire, earth and air attacks! Different enemies have been created using the same basic design but modify each element in unique ways. Choose your hero: choose your character class from a vast array of five and customize his weapons and abilities. Gorgeous Spheres of Color – With your hero, you can use traps to trigger powerful elemental attacks You can collect precious, rare gems as you explore the world Lots of items to craft in town More than 500 items to collect and craft Inventive Level Design – Hundreds of ancient technologies will be at your disposal to overcome the game's challenges Plan your attacks in advance with different traps and secret doors Lots of labyrinths to explore, each offering a different experience Create your own legend! 5 hero classes to choose from: Thundergod – the god of storm, lightning and pyromancy Ranger – lead his companions with a bow and arrows Archer – a master hunter and rival of the Thundergod Apprentice – a young sorcerer and seeker of wisdom The Last Regent – a wise leader with powerful magicks and a dark past Netizen Preview You are tired of the storms ravaging your land. The old king passed away without an heir, and soon the kingdom will fall. Your duty is to open the portal to another world in order to save the kingdom. In the name of your late king, you forge weapons and armor, equip your heroes and explore the world's many labyrinths. You must find a way to seal the portal to end the storms. Choose your hero among five different classes that you customize in your

The coffee can be stored in the fridge and used within a week. Brewing the coffee is the simplest step in the process of making an espresso. In order to make the best espresso you need a burr grinder, a coffee maker and a fine filter. Gather the equipment The equipment you will need for making an espresso is: Burr grinder Coffee maker Coffee filter The burr grinder is ideally positioned on your kitchen countertop. Grinding a fine coffee should take around 10 seconds. Burrs can be a little temperamental, but if you know what you're doing you should be able to avoid an angry black-eyed grinder. Make sure the grinder is plugged in and turned off first. Open the coffee maker Pour cold water into the coffee maker. Place the filter in the machine and open the lid. Grind the coffee Remove the c9d1549cdd

Gear up for adventure in The Guns of Icarus Alliance, the acclaimed and critically acclaimed Prequel to Brothers in Arms, is the first person shooter that takes players into the skies to experience the carnage of WWI combat from the pilot's eye view. The players take the role of an Imperial Navy flyer who must race to the front of a deadly conflict as the planet-shaking war unfolds over the course of a single mission. While Brothers in Arms was a story focused on the battle for St Mihiel, the war was still in its infancy, but the foundation laid by the Allies for victory would prove invaluable. The Guns of Icarus Alliance recreates the chaos of this defining period in history with stunning graphics and additional content, including: Interstellar combat across the vast expanse of the skies New Maps inspired by historical aerial footage New Playable Hero: Lieutenant Hannah Mason New gameplay mechanic: switch to "Mech" view and blast your foes with a massive array of weapons, including the deadly "Longshot" A unique multiplayer "Harasser" mode, challenging players to gun for the sky in a series of fast paced multiplayer duels Features: Over 40 weapons at your disposal including the Longshot, 5mm machine gun and the massive Maxi-Machine gun! Explore over 70 maps with an arsenal of new weapons including the Maxi-Machine Gun, 5mm machine gun and a variety of heavy artillery. Play as a war hero of Brothers in Arms or download the new 'Mech' perspective to turn gameplay upside down with a massive arsenal of firepower. Intense multiplayer duels against your friends in 'Harasser' mode. All new model and texture resolutions for further differentiation and detail. New'streamlined' map and user interface. Retro styled multiplayer game mode: 'Single Death Match' A ton of new and enhanced special effects, with dynamic Smoke, Frost and Fire Updated Multiplayer and AI New sound design for all game elements Optimized for Windows 8 and other modern operating systems Improved Networking for improved responsiveness, faster server load times and reduced lag We'll be releasing this game alongside our upcoming release of the Multiplayer Expansion Pack for Brothers in Arms, which contains some new characters, weapons, scenarios and new multiplayer game modes. The Guns of Icarus Alliance will also be included with the complete Brothers in Arms Collection on all platforms. The Guns of Icarus Alliance, released on PC in October 2013 and Mac in November 2013
