#### Elden Ring Features Key:

Creation of a Lord of the Elden Ring, for fans of RPGs on a similar level as the beloved Zelda series.  
The Lands Between A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.  
Tarnished A vertical battle system. Choose and start a fight while travelling vertically on the field by connecting your own battle system, "Tarnished," to the battle system of the game.  
Hybrid System Explore a world with the freedom of a role-playing game combined with the speed of a beat 'em up.  
Multiplayer In addition to the turn-based online element, players can get together and travel together in real time or battle each other.  
You can create your own character to become an Elden Lord of the Elden Ring. Change and combine weapons and armor as you like. You can even customise your stats and virtual items as you like. As you develop your character, there will be virtual items that will allow you to get the most of your character. You can even customize your own character on-screen and use it to interact with other heroes during battles.  
Story A multilayered story in which the various thoughts of the characters intersect in the Lands Between. A drama in which you can become a hero and become an immortal hero.  
Every Word Deserves Attention You can enjoy a great gaming experience while reading game descriptions, lines of dialogues, battle descriptions and effects, and even game instruction texts.  
Unparalleled Achievement A game that raises the excitement in gaming. A game that is purely enjoyable by lovers of fantasy adventure games, role-playing games, and beat 'em up games alike.

Special thanks:

Around the age of eight, I was struck by the harshness of the first phone I ever owned. My boss, two years old and about to enter kindergarten, had managed to borrow it from my mother while she was at work. The black rim of his first driver's license was still visible on the back of the handset. My mother had already given it to him for the week, but it clearly wasn't enough. My

**How To Install and Crack Elden Ring:**

First and foremost, download the game setup exe from above or link

Create a full non-repairable back up of your PC before applying the game files

Open the program where you are downloading the game so that you can add/extract the game from your download

Save the game to a location you can easily recall later on and to be able to use the crack

double click on the batch file below

You may skip steps #4 and #5 if you already have this cracked version installed

NOTE: ALWAYS have the game setup files unzipped. The ARK.exe inside the setup is just for extracting the game for the first time, if you already have the game already unzipped to the folder, just extract it as normal using the ARK.exe

stop your game and exit to desktop

Open command prompt and navigate to the location of the downloaded game setup exe with the path name of: ARK.exe, then type: "PARAMETER=\game\Game.exe", Parameters are splitted from the pathname by characters, in this case ,, so parms are the strings after ,

If the game option is not listed, click on the "New" button in the game console, if it is listed click on the "Item> 0" then click "OK"

Select the item to apply, in this case, the game should be listed as "Ark64x64.exe"

press "ENTER"

press "A"

press "F8"

click on "Toggle Full-Screen-Mode"

click "Yes"

If there is an error during the process, check to make sure that the "folder" "CMD" is the first item in your Start Menu and is selected

If there is no error,
