Where can i find a spiderman shattered Dimension pc game iso? and when it comes to the alternate universe version, it comes with a free book that goes along with it. the book was adapted from the spiderman movie that came out in 2007. the book goes along with the game and adds some backstory to the plot. the game itself is a pretty amazing game and its on your ps2 and ps3 as well. It contains plot ideas that the movie expanded on and new story elements not covered in the movie. you get a full on story that contains some ultimate foes and events that directly tie into the plot of the movie. its not an amazing game but its a pretty decent ps2 and ps3 game. the sceen is really low res but for this game not much else is needed. this game has some amazing puzzles to get through. all that really comes to mind is whats to come after this game? well not much at this point. from what we know of the game its one of the more straight forward

spiderman games to date and is one of the better marvel crossover games out there. the game play is pretty standard for the series. everyone the controls of the games are really easy. the only problem is that the game isnt very long. at 5 hours or so, it doesnt get a lot of playtime in a whole day or week. buy it now » CONTROLS: action: new webshot, double jump controller support: d-pad, analog stick, cross button Buy The Review Of Rlddllforspidermanshattered.Jpg » Spiderman Shattered Dimension pc - Wikipdia'Spiderman Shattered Dimension' - WikipdiaThe Spider-man''s Shattered Dimension'' is a''.
