We don't have the slightest clue what type of gift it could be. We just know that it is a mystery! WHAT'S IN THE BOX The box itself also comes in the mail and will contain a small gift box. The gift inside is in gold foil, and from the outside, it looks like the bottom half of a bochert. And what's inside?... Your enemies! They are gold bocherts. That's literally what they are. You can use them as decorations at your own home. HINTS By the way, you have to look in the deepest reaches of a deep dungeon where you can find these gold bocherts.
