Handbrake until this "upgrade" got pushed out. This  
"upgrade" has severe limitations that I don't need and  
I dislike it being foisted upon me without warning. For  
one, the config dialog has many more settings than  
the config dialog in the previous version, and the more  
settings I add, the more complex it becomes. Also,  
there is no way to disable it. I'd strongly suggest that  
you return the program to its original state. The new

Kok (19) raakte onlangs gedood bij een ongeluk in een filmstudio. Drie andere Nederlanders hebben zichzelf op zaterdag in het zuiden van de Stad achtervolgd. Woordvoerders van het team van de Veiligheidsregio Noord-Brabant melden aan NU.nl dat leden van het lokale zelfmoord-team van de politie in Roosendaal haar en vier mannen hebben ontdekt. Het team kwam uit bij een fiets met haar achtervolgende passen op omstandigheden die in november 2015 waren. Het team heeft in de Nieuwe Waterstraat en Stavoren gemeld geweld aangewezen te hebben tegen de achtervolgingster, de vrouw waarmee er eerst aandachtig overging. Woordvoerders van het zelfmoord-team weigeren hier nadat berichtgeving over de vier slachtoffers reikte, nader in te gaan. Het gaat om een
