Age of Wonders: Shadow Magic is an expansion pack for Age of Wonders II: The Wizard's Throne. A new empire is threatening the Ancient Races with extinction and, even worse, legions of demons led by the shadowy Phobius are trying to turn the world into a living nightmare. Added material includes new races, more units for the existing races, additional spells for the immortal wizards, and a sparkling new campaign. Players can create their own maps and scenarios with the campaign editor, while the random map generator can create unique maps for every battle. Age of Wonders: Shadows of the Forgotten Empires is an expansion pack for Age of Wonders II: The Wizard's Throne. A new empire is threatening the Ancient Races with extinction and, even worse, legions of demons led by the shadowy Phobius are trying to turn the world into a living nightmare. Added material includes new races, more units for the existing races, additional spells for the immortal wizards, and a sparkling new campaign. The fifth chapter in the HOMM series comes a few months before the introduction of Dungeon Siege II. Wizards' Throne is a fantasy game set on an enormous geologic rift (see the artist's conception on the right). You can find it in Steam, GOG or from Triumph's own site. Take your pick: either be overwhelmed by the sheer amount of content packed into a neat, playable package, or simply find the thing funny. Age of Wonders 2 - Wizards' Throne is a breath of fresh air for fans of the genre that started it all. 5ec8ef588b
