[url=cowboy bebop 1-26 complete (dual audio) [bdrip-720p-8bit] the cast was completely perfect, as usual, and the series had an interesting storyline. the first episode had alot of action, and i enjoyed watching bebop and spike explain what was happening in the future of space. the best thing about this episode was the costume spike was wearing, i felt so beautiful when he had on the gold trimmed jumpsuit. i really enjoyed looking at that suit! and spike being human again was amazing, i hated it when he was dead. but it did not bother me since he came back. i was happy to see him and i loved him again. they really did a great job, and i hope they continue to make more series. this was my favorite anime of all time. 5ec8ef588b
