### Battle Realms 3 Kenji Knight Of Dead Full Crack

after all the hard work and training, kenichi and natsu face the twins on the next full moon to prove their skills at the year's championship. the fight proves to be more difficult because of the number of spectators, most of whom bet money on the outcome. after a long fight, kenichi wins, but natsu gets seriously injured. before kenichi can recuperate in the hospital, he receives a message from hamu sairi that he needs kenichi to perform the third hero. kenichi tries to persuade natsu to recuperate, but natsu doesn't want to, so kenichi leaves natsu's side to go on to find miu and hayato. kenichi manages to find them but finds out that there is no way to get to them, as he was near the front line of a massive battle between dong min huang and her father mo yinhua. kenichi returns to natsu and finds out that the reason he stayed by natsu's side was to help natsu take a joke, and natsu should not feel guilty. natsu is now recovering from his injuries and was able to get into a fight with dong min huang and her father mo yinhua. he then sends her away to wait for him in another part of the castle and she is to fight her father. commander vearn's demonic guard is a pretty insane manoeuvre, considering the opponent is usually considered dead already, and even if he's alive, he has to endure all kinds of lethal techniques, like stabbo, cutting edge or blood-eating. the fact that he can counter them instantly is another headache: that's the first time a battle stance does more than just defend or absorb a low-level hit. he'll have to make a best-of-three with his opponent and have a potentially decisive advantage to win.
